All our teams dispose certifications by all Classification Societies (IACS: ABS, BV, DNV.GL, KR, CCS, LR, NK, RINA, RS, IRS), the INSB and by the British Classification Society – L.R Welder; while all operations are approved by ISO 9001:2015, ISO 14001:2015 and ISO 45001:2018 from Bureau Veritas.

BEVALDIA also maintains its own manufacturing unit for underwater cleaning equipment since 1992; gradually expanding due to the new needs of our diving units. Over the past few years, we have been building our own product line GAMSRO and are marketing over 20 product codes.

We look forward to working with you and becoming your best advisors.
